The most popular Hamburgers in Spain is now challenging you with them in an inimitable Family and Hispanic Atmosphere.

With this third Address in Paris, GOIKO's New Challenge is to win the Hearts of Students, Passers-By and Local Regulars by mixing both Food and Artistic Universe to become The New Place To Be of the 5th Arrondissement of Paris.

An Artistic Collaboration with Lucas Beaufort. The Idea was from the start to produce a Wall Fresco made by a Renowned and Local Artist with a Main Character named "Gus Gus". As original as it is amazing, in bright colors and made to Measure and Freehand by the Artist.

Born in Cannes in 1981, Lucas Beaufort is a French Visionary Artist-Painter living in a World surrounded by Imaginary Characters, kind but Mischievous Monsters, who help him build a Positive Image on the World and guide his Choices every day.
