USPA NEWS - Assassination of President Trump Ordered by PM Netanyahu to Stop Iran US Peace Deal

Prime Minister Benjamin Netanyahu of Israel is vehemently against any ever-lasting peace deal between the United States and Iran. He has ordered his intelligent service Mossad to assassinate anyone trying to promote a peace treaty between the United States and Iran. This despicable behaviour and continued action of PM Netanyahu, has shocked the world.

He is not only the perpetrator involved in the worst crime against humanity and genocide, but he is now also trying to prevent an end to war and peace between the United States and Iran. PM Netanyahu has dragged the United States into and indiscriminate war with Iran and wants this to escalate into World War 3. The world must unite to take PM Netanyahu him out, and not allow him to take out the peace promoters, said Shazada Hayat President UICF (UK) and international community welfare campaigner.

Says Shehzada Hatyat, that PM Netanyahu has brazenly bullied the American President and the Prime Minister of UK. This is because his powerful lobby controls both the United States and Britain. AS a result, of the stronghold of the powerful foreign lobbies, on USA and UK, PM Netanyahu continues to exploit, bully, coercively control the USA and UK. He believes he has a licence to carry out slaughter and genocide with full impunity. Therefore, he is unstoppable by the United Nation and the International Court of Justice.

This year, in March 2026, in order to take the world's focus and attention away from his slaughter and carnage of the genocide in Gaza Palestine, PM Netanyahu ordered an indiscriminate attack on Iran. He encouraged, forced and blackmailed President Donald Trump to join in the attack. President Trump reluctantly had no choice but to follow the orders of PM Netanyahu as he sees him with more power in the United States than the US President. This is all because of the powerful lobby that controls the United States and Britain. Shazada Hayat said, President Trump has supported PM Netanyahu more than any other US President in history. However, he feels enough is enough and the USA and Iran have signed the MOU of peace and will sign the final charter of peace in 90 days. Pakistan's Field Marshal Syed Asim Munir has been instrumental in first achieving a ceasefire then the signing of the MOU last week and now the peace deal which is inevitable.

This peace deal has infuriated not only PM Netanyahu but also the Prime Minister of India Narendra Modi. As a result, they both respectively order their intelligence service Mossad and RAW,

to plan to assassinate Pakistan's Field Marshal Syed Asim Munir, and or the Iranian President Masoud Pezeshkian and or the USA Vice-President JD Vance, over the skies of Pakistan during the peace deal negotiation.

Then to blame this catastrophe on other countries such as North Korea, Afghanistan or even Russia. PM Netanyahu wants to block and stop the peace deal between USA and Iran at any cost. As far as PM Modi is concerned, he does not want Pakistan to be successful in achieving a historic peace deal between Iran and the USA.

One has to give credit where it's due to Pakistan's D.G. ISI General Asim Malik the Pakistan Military Intelligence (MI) and Pakistan's Intelligence Bureau (IB), who managed to foil the assassination of Field Marshal Syed Asim Munir and the Iranian President Masoud Pezeshkian, also the Vice President of United States JD Vance, whilst flying over the skies of Pakistan. Pakistan armed forces provided an iron dome protection over the skies of Pakistan.

Shazada Hayat went on to say, Pakistan's ISI most certainly out-witted Mossad, RAW and the rogue elements within the CIA. The patriotic true guardians of Pakistan, Iran and the United States must stay vigilant as the danger is still lurking day and night, especially now there is only one option left for PM Netanyahu, for which he has already given the go ahead with the full support of the dark forces and enemies of United States and the scrupulous benefactors to assassinate President Trump just as President J.F. Kennedy was assassinated by the evil dark forces and enemies of the United States, disguised as friends.

The true great patriotic defenders of United States and Britain must rise to protect and defend America and Great Britain from PM Netanyahu and his powerful lobby that controls the United States and Britain. Therefore, it is time for the great American and British public to stand up to the evil forces, inside America and Britain to make America and Britain great again. The security of President Trump, the Pakistan armed forces Chief Field Marshal Syed Asim Munir and the President of Iran Masoud Pezeshkian must be put on full and high alert than before, as they try to achieve a lasting peace and prevent escalation to lead to Third World War and Armageddon,
